

DJ-320

High resolution inkjet printer

Features :

- Cost efficient high resolution ink jet printer
- Can print up to 4 lines of text (alphanumeric), date, time and sequential number (counter).
- User-friendly software
- 4.3" touch screen - supports most languages.
- Quick message editing and fast transmission of data to printer via USB.
- Store up to 30 messages with built-in memory.
- Can print Logo up to 53 mm.
- Automatic self priming and ink drainage with latest ink delivery system.
- Piezojet XAAR print head with self cleaning system .
- Easy replacement of print engine.
- No Data lost due to system backup and restore.
- Most economical operating cost on ink
- Printing cost computation with software.
- Maintenance free and with no wear & tear parts.

Technical Specifications :

Power Supply	: 90-240 VAC , 50 / 60 Hz
Operating Temperature	: 0-50 degree Celsius
Print Resolution	: Vertical 185 dpi ; Horizontal 200 dpi
Print Speed	: 62m /min at 300 dpi
Printing Distance	: Max 6.5 mm from the product
Print height	: 4 lines of 2 mm ; 4 lines of 3 mm 2 lines of 8 mm ; 1 line of 17.5 mm
Logo print format	: Bitmap 1 bit
Message storage	: 30 messages with built-in memory
Message Length	: Up to 512 Characters
Ink color	: Black (Optional- Blue and Red)
Ink Supply	: 250 ml cartridge and 500 ml for : bulk ink supply system

Applications : To print variable information eg. batch, date, specification on both porous (paper, carton) and non porous (laminated carton, plastic bottle, PVC pipe, metal parts) substrates .
